§ 615.5205 Minimum permanent capital standards.

Each institution shall at all times maintain permanent capital at a level of at least 7 percent of its risk-adjusted asset base.

[62 FR 4446, Jan. 30, 1997]

§ 615.5210 Computation of the permanent capital ratio.

(a) The institution's permanent capital ratio shall be determined on the basis of the financial statements of the institution prepared in accordance with generally accepted accounting principles except that the obligations of the Farm Credit System Financial Assistance Corporation shall not be considered obligations of any institution subject to this regulation prior to their maturity.

(b) Through December 31, 1989, the institution's assets and permanent capital may be computed using the average of the most recent 3 months' balances. Thereafter, the institution's asset base and permanent capital shall be computed using average daily balances for the most recent 3 months.

(c) The institution's permanent capital ratio shall be calculated by dividing the institution's permanent capital, adjusted in accordance with paragraph (e) of this section (the numerator), by the risk-adjusted asset base (the denominator), to derive a ratio expressed as a percentage.

(d) Until September 27, 2002, payments of assessments to the Farm Credit System Financial Assistance Corporation, and any part of the obligation to pay future assessments to the Farm Credit System Financial Assistance Corporation that is recognized as an expense on the books of a bank or association, shall be included in the capital of such bank or association for the purpose of determining its compliance with regulatory capital requirements, to the extent allowed by section 6.26(c)(5)(G) of the Act. If the bank directly or indirectly passes on all or part of the payments to its affiliated associations pursuant to section 6.26(c)(5)(D) of the Act, such amounts shall be included in the capital of the associations and shall not be included in the capital of the bank. After September 27, 2002, no payments of assessments or obligations to pay future assessments may be included in the capital of the bank or association.

(e) For the sole purpose of computing the institution's permanent capital ratio, the following adjustments shall be made prior to assigning assets to
